GLEN PRIVATE LABEL SERVICE

OUR STORY

Glen Private Label Service, a family-owned business with a 40-year legacy in cosmetics manufacturing, empowers entrepreneurs to launch their own successful brands. Founded by Afzaal Hussain and Iqbal Hussain, the company was later expanded by Afzal Hussain, Ajmal Hussain, Mujahid Hussain & Noor Ali. Glen offers a complete suite of services, including product development, manufacturing, brand building, packaging (design & printing) and regulatory assistance (like **DRAP & PCSIR** registration). We are successfully deliver our products in many countries.

OUR MISSION

Our mission at **Glen Private Label Service** is to empower aspiring entrepreneurs by providing high-quality cosmetic products manufacturing with **minimum order quantities**. We strive to facilitate the growth of the cosmetics industry by enabling individuals to launch their own brands easily. Our goal is to make it accessible for everyone to start their own cosmetic line and contribute to the global success of Pakistani-made products.

Shopify Store Creation

We'll build a fully functional and visually appealing Shopify store designed for e-commerce success.

Full Shopify Store Setup:

Functional, optimized store creation including setup (account, theme, domain, payments), product listing, app integration, and basic SEO/social media.

Store Branding:

Creation of impactful banners and infographics.

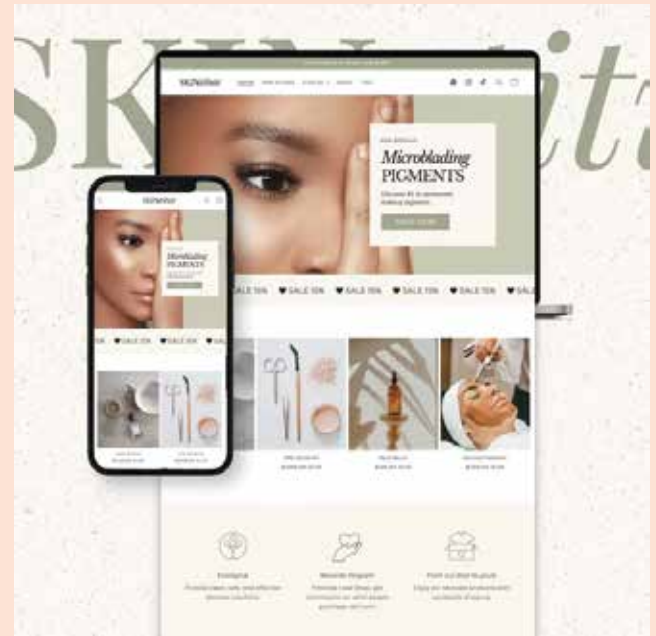

Content Writing:

Development of engaging product descriptions and store content.

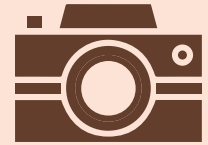

Note: This Price is valid for 1 to 4 products.
For each product after that, we charge Rs.3,000 extra.

Rs.39,000/-

Product Photography

We'll capture high-resolution, professional product photos that showcase your products in their best light.

- **High-Resolution Images:**

Capturing crisp, detailed images of the products.

- **White Background Photography:**

You will receive clean and consistent white background pictures of the product from 3 different angles.

- **AI Generated Lifestyle Image:**

One AI-generated lifestyle image will be provided, showcasing the product in a usage context.

Note: If you require lifestyle photography based on your specific ideas, please share your references. We can then provide you with the corresponding rates and details.
